Discussion of the County's Capital Park Improvements Priorities Survey.

Jesse discussed the County's Nipomo Park allocation for next year's budget.

Round Table

Director of Recreation Center David Yasso wants the Recreation Center at the top of the priority list or put public monies into the Recreation Center.

Lori Mendez does not want the Recreation Center in the Park.

Rick Dean wants grassy fields. He is opposed to the Recreation Center in the Park and noted legal and funding issues.

Harry Walls wants low impact projects in the Park and is opposed to the Recreation Center in the Park.

Ed Eby does not want us to ignore the costs when we prioritize projects.

Jeannie Johnson wants Recreation Center in the Park as there is no other land available. Recreation Center does lots of activities for kids and adults.

Marianne Buckmeyer will help Ken with organizing the next meeting.

From AYSO does not want the Recreation Center to be without a home and finding a home should be a high priority.

Linda Walden wants Park wilderness maintained, horse trails, multiuse fields and separate the basketball court from the tennis courts.

Mary P- Recreation Center is used by many people and is important to the community. The Park is a great place and wishes there was an alternative place for the Recreation Center.

Jeanny wants the Recreation Center in the Park because it is inexpensive.

Ken Whittle wants a vote on all the projects on the County's Park Capital Improvements Survey.

Ken Whittle-Discussion about the process.

The Recreation Center will be moving a modular building into the Park in August to house their Day Care Program. The building will be placed where the bathroom was recently torn down. The Recreation Center has a temporary lease with the County for a dollar a month. Permanent status is waiting for completion of the Park master plan.

There is a Park master plan workshop scheduled for July 12 at 7:30 PM at the high school.

Brush Poppers wants to be on the agenda for the next meeting. They are looking at property near the Dana Adobe

Next meeting: July 14 at 4 PM
